

## 2021 MEMBERSHIP IMPACT REPORT

### A Report from Randolph Post 707 Englewood, Ohio

The American legion was chartered and incorporated by Congress in 1919 as a patriotic veteran's organization devoted to mutual helpfulness. It is the nation's largest wartime veterans service organization, committed to mentoring youth and sponsorship of wholesome programs in our communities, advocating patriotism and honor, promoting strong national security, and continued devotion to our fellow servicemembers and veterans.

Randolph Post 707 was chartered in 1953 and has been a major supporter of our community for over 69 years. Our members have played roles in shaping our community by our involvement in youth sports, civic events, fundraising and other events. Our members are Coaches, Teachers, Doctors, Nurses, Police Officers, Firefighters, City Council members, Church Leaders, and a host of many other leaders in our community. WE ARE OVER 400 VETERANS STILL SERVING AMERICA, we are devoted to the Four Pillars of The American Legion. Through our various events we were able to donate over \$20,000 this past year!
