

SONS OF THE AMERICAN LEGION CONSOLIDATED SQUADRON REPORT

The Consolidated Squadron Report (CSR) is perhaps the most critical document a squadron can complete. CSR information is combined with other squadrons in creating a final report used by The American Legion, forwarded to the U.S. Congress, and used to apply and verify awards at National Convention.

Not all squadrons participate in every program; leave those fields blank. The key is to report on the activities your squadron participated in from **June 1st to May 31st**.

All detachment/district/squadron donations and activities should be reported individually to your detachment adjutant. The CSR will require inputs, such as the number of veteran homes visited or volunteer hours contributed to a particular program. Other programs, such as The American Legion National Emergency Fund (NEF), enter the number of dollars donated or spent in whole numbers.

It is preferred CSR's are filled out and submitted online via myLegion.org. Squadron Adjutants and Commanders have access to complete and submit the entire form. CSRs are also available for download at legion.org/publications and legion.org/sons/publications.

Please print out the form and complete each page by hand. Make sure it is legible and mail to the Detachment and retain a copy for the squadron's records. Check with your detachment for their deadline date; it may be different than the national deadline.

Detachments and districts should forward a copy by scanning and emailing their CSRs to mssforms@legion.org or by USPS to the address below.

Detachment Reminder: July 1 is the final date for transmittal to National Headquarters for squadron reports to be included the national tabulation for awards at National Convention.
