January 31, 2024

Greetings,

I am excited to say we have officially passed the 85% membership quota as a state Department before the target date. We are currently ranked 24th in the nation. I fully believe that if we maintain this momentum of recruitment and renewal, we will meet this year's quota.

Your hard work and dedication are the driving forces that keep our membership progressing. We must keep going! We must continue making our Buddy Checks to remind our homebound and expired members that the promises to care for them still stand. Recruit and Retain.

Our next membership target date is March 13th, 2024, the American Legion's birthday. Our goal is 90%. On March 31st, Commander Jason Rue's goal is 92.29%. Both are reachable. The April 10th goal is 95%, and May 15th is 100% quota. We are on track to meet our goals. We can do it!

Remember, we are the largest wartime veterans service organization. We are committed to mentoring youth and sponsoring wholesome programs in our communities, advocating patriotism and honor, promoting strong national security, and continuing devotion to our fellow active servicemembers and veterans.

Veterans are the most essential part of this organization. This is you and the rest of your comrades. We need each other.

V/r,

Sherry Yockey
