MEMBERSHIP RENEWALS – PAST DUE

Our records indicate we have not yet received your membership dues for this year. If your dues have been mailed, please disregard this notice.

Membership is important not only to your post but also to the state and national organizations. Each year, the number of our members and programs for veterans and communities are reported to Congress. Truly, there is strength in numbers, positively affecting proposed legislation for veterans benefits. Stand up and show your support for our veterans, as well as the men and women currently serving, by renewing your membership today.
