Transmittals not received by the cutoff date may not prevent a subsequent renewal notice from being delivered at or around the renewal date.

Please note that renewals transmitted and received by the cutoff (which is also a national target date) will be updated prior to printing renewal notices, assuming they can be successfully scanned. Membership that must be hand-keyed (new members and renewals that can't be scanned) will take longer to process. Please transmit as early and as often as possible in advance of the target dates to help avoid delays in processing.

- This guidebook can be downloaded from the Legion’s website and sent electronically. legion.org/publications
- DMS memberships will not count for points and awards unless otherwise stated in this guidebook. DMS-acquired members will count toward all-time high awards and national convention delegate strength.
- Unless otherwise specified, all trips awarded as incentive prizes include roundtrip airfare from an airport in the continental United States, designated by National Headquarters.
- All target date accomplishments are based on each department’s total membership on the transmittals received and successfully processed at National Headquarters by close of business on the target date. Transmittals with incorrect data or insufficient funds will not be counted.
- A new member is defined as any eligible veteran who was not a paid member in good standing for the 2019 membership year. Transfers from one post to another do not count as new members.

Post and district commanders should place particular emphasis on renewing current members and reinstating those whose membership has expired, even while actively recruiting new members throughout the year.
POST & DISTRICT DEVELOPMENT/REVITALIZATION

Departments will have a goal to start/revitalize two posts in 2019-2020. A total of 500 points will be deducted from each department’s award total for each post submitted for cancellation and accepted by the NEC. Departments will earn 1,000 points for each post started.

MEMBERSHIP CHALLENGES AT COMMANDERS’ AND ADJUTANTS’ CONFERENCE

Challenges between departments provide ammunition for membership drives while encouraging friendly rivalry. All challenges must be turned into the department staff liaisons in the Membership Division prior to the adjournment of the Commanders’ and Adjutants’ Conference. This will permit the staff to review them and to clarify questions. They must contain the signatures of the individuals making and accepting the challenge. The statistical sheets used to assist with the Big Twelve roll call only show the department’s membership goal for this year. Challenges may be based on a number of different criteria, not just membership numbers.

This target date is worth 8,000 points for meeting the 80% target (not including DMS totals). Transmittals must be received and fully processed at National Headquarters during normal business hours on or before the January target date.

POST HONOR RIBBON
Honor ribbons are awarded to posts whose membership for the current membership year (as of December 31) achieves an advance membership (for the year about to begin) equal to or greater than the final membership for the year ending. Certification forms must be submitted to the Membership Division by January 31 (page 13).

CERTIFICATE OF MERITORIOUS SERVICE
ALL-TIME HIGH AWARD
This certificate is awarded to all posts that have, by December 31, enrolled an advance membership for the membership year equaling or surpassing the post’s previous all-time high membership. The report form is on page 14.

GENERAL JOHN J. PERSHING HONOR AWARD
This plaque is awarded annually to the department with the greatest percentage of posts receiving the Post Honor Ribbon for achieving 100 percent or more of their previous year’s membership enrolled for the coming year by December 31, and having reported the achievement to National Headquarters no later than January 31.

The Big Twelve standings will be taken from the national roll call made at the Commanders’ and Adjutants’ Conference. Each department must maintain its own respective roll call pledge by having remittance forms and accompanying dues to equal the pledge made, received by National Headquarters during normal business hours.
on or before the March target date. The department in each category that has pledged the highest percentage and meets this goal will be the winner.

Transmittals in excess of the pledge (at least 90%, not including DMS totals) will not alter the relative standing of the departments; however, defaulting among the Big Twelve by turning in a smaller number than pledged will completely disqualify the department. As departments default, others in the same category will move up. The winner in each category will be reimbursed for computer equipment purchases up to $2,000. Department runners-up in all six categories will be reimbursed for computer equipment purchases of up to $1,000.

The six categories in the Big Twelve Competition are:

Category I  Departments of 85,000 or more members
Category II  Departments of 65,000 to 84,999 members
Category III Departments of 40,000 to 64,999 members
Category IV  Departments of 25,000 to 39,999 members
Category V  Departments of 10,000 to 24,999 members
Category VI  Departments of 9,999 or fewer members

Note: All departments winning Big Twelve awards in March must submit legible cash register receipts and request reimbursement from the National Membership Division by September 30 or lose all entitlements.

DISTRICT COMMANDER RACE TO THE TOP COMPETITION
End date: March 31

Competition is divided into five categories based on the membership of the district without regard to geographic locations. District commanders will compete in each of the following categories based on final membership year totals, and a top district commander for the national award will be selected from each of the five categories. Post ribbons will also be awarded to each top district commander for all posts in those districts.

Second and third place awards will also be presented in each category. The district commanders will be awarded checks in the amount of $500 for second place or $375 for third place, but no additional ribbons will be awarded for the posts in these districts.

The RTTT certification form, which must be submitted by the April target date, is on page 16.

In the order established for the domestic departments (see below), followed by:

O. L. Bodenhamer Trophy winner, awarded to the department whose standing is No. 1 on the Flag Day (June 14) membership report, followed by:

NATIONAL CONVENTION DELEGATE STRENGTH

Receipt date: 30 days prior to the beginning of the national convention

National Headquarters must receive transmittals for delegate strength during normal business hours on or before 30 days prior to the beginning of National Convention.

Delegate strength is determined by total membership, including DMS members, in the hands of the national treasurer 30 days prior to the national convention. Total number of delegates for each department is based on five delegates at large, one delegate for each 1,000 members or major fraction thereof, and the members of the National Executive Committee.
DEPARTMENT COMMANDER ALL-TIME HIGH AWARD

Specially cast all-time-high rings will be awarded to the commander, adjutant and membership chairman of each department attaining a new all-time-high membership (DMS included) for the current membership year by 30 days prior to the national convention.

The national commander reserves the right to award a different but similar award to any commander, adjutant or membership chairman who has already received an all-time-high ring.

DEPARTMENT HONOR RIBBON

Each department equaling or surpassing its previous year's final membership by opening day of the national convention will receive an honor ribbon for its department colors.

MISCELLANEOUS TROPHIES AND AWARDS

PIONEER AWARD

The National Membership & Post Activities Committee created the Pioneer Award on May 5, 1965, to recognize those directly involved with new post formation. However, recognition and awarding of this citation are the new post’s responsibility.

Completed certification forms should be returned to department headquarters for approval prior to being forwarded to National Headquarters. All Pioneer awards will be returned to department headquarters for proper presentation. The certification form is on page 24.

FIVE OR MORE CONSECUTIVE YEAR ALL-TIME HIGH POST AWARD

Purpose of report: To certify to National Headquarters those posts eligible to receive the Five (or more) Consecutive Year All-Time High Award. The citation may be ordered at any time for a qualifying post, but we suggest it be ordered about one month prior to the time planned for presentation (department convention, district convention, visit by department commander, etc.). Departments should check and ensure at the close of department books that all qualifying posts are certified. After a post has won the award for five consecutive years of all-time membership highs, it may continue to win the award each year thereafter as long as each year’s membership sets a new all-time high.

List posts in numerical order. The certification form is on page 15.

Note: Post names and numbers will be printed on the award exactly as shown on your report. Costs of replacement awards resulting from an incorrect report will be charged to the department.

POST MEMBERSHIP RETENTION AWARD

This award recognizes posts for their ability to renew their previous year’s membership. To qualify, the post must have at least the minimum number of members to maintain their post charter within their designated department and retain at least 90 percent of their previous year’s membership by the May target date. This award has three levels:

- 1st level (100% retention) – Plaque
- 2nd level (95% percent retention) – Ribbon
- 3rd level (90% percent retention) – Certificate

RECONNECT CERTIFICATION FORM

A “Reconnect” is a DoD initiative meant to “reconnect” our country with its military. A reconnect effort is any face-to-face communication between military installations and American Legion posts, districts/counties or departments to showcase their many programs and services. Departments that do not currently report their reconnect efforts are strongly encouraged to do so. A minimum of 100 points up to a maximum of 5,000 points will be awarded for each reconnect effort until the May target date; however, it is highly recommended that efforts continue throughout the year.
