WHERE WILL YOU JOIN US?

Join Bob “The Geezer Biker” Agnes on all or any part of this mega ride to 60 Fisher House facilities to raise \$250,000 and awareness for Fisher house, who for the last 17 years has received A+ from all major charity rating services. 93% of the donations they receive go directly to providing a basket of services for our veterans including the big one, free housing for the families of convalescing service people, so they can stay with loved ones. The geezer will be 10 days short of his **83rd birthday**, when the ride winds down on July 4th. Help make it a memorable one!
