Detachment Membership and
Program Awards Manual

for Squadrons and Districts

Annual Squadron Data Report Forms

National Headquarters requires the submission of an Annual Squadron Data Report [SDR] form to provide important mailing, dues, contact, and meeting information to update their records.

The membership dues information in particular is needed to properly support the individual online renewal feature.

This report is to be submitted to Detachment Headquarters by April 15th every year for the upcoming membership year.

It must be forwarded to National by May 1st.

The form must be signed by either the Squadron Commander or Squadron Adjutant.

The current SDR form is available at <https://www.ohiolegion.com/wp-content/uploads/Annual-Squadron-Data-Report.pdf>.

Squadron and District Officer Certification Forms

2023-2024 Squadron and District Officer Certification Forms [OCF] are due at Detachment Headquarters no later than May 1, 2023 as per Article IV, Section 3 of the Detachment of Ohio By-Laws.

The Squadron form MUST include the Advisor's physical mailing address to receive the new membership cards.

Districts will not have voting rights on the Detachment Executive Committee until their form is received and recorded.

The current OCF is available at https://www.ohiolegion.com/wp-content/uploads/SAL_OH_2024_Officers_Certification_Form.pdf.

Consolidated Squadron and District Report Forms

2022-2023 Consolidated Squadron and District Report [CSR] forms are due no later than July 1, 2023 so as to be included in the bundle for National Headquarters.

Be aware of the earlier May 1, 2023 submission date if your squadron wants to qualify for the Commander's Program Award and some other Detachment Convention Awards.

The current CSR form is available at https://www.ohiolegion.com/wp-content/uploads/SAL_CSR_Form-Rev_2019-10_ONLY.pdf.

Squadron Reporting Requirements to Receive New Membership Cards

Squadrons will not receive their 2024 membership cards until their annual Squadron Data Report, Officer Certification Form, and Consolidated Squadron Report have ALL been received at Detachment Headquarters.

Squadron Quota

To determine your Squadron Quota for the 2024 Membership Year, add 3% to your 2023 FINAL MEMBERSHIP TOTAL (June 30, 2023) with a minimum of one (1) additional member.

Squadron Development

The idea of squadron development is to increase the number of squadrons in the detachment. With this in mind, it is the goal of each district to charter at least one (1) new squadron annually. Of course, more than one squadron is desirable, but the goal is one (1) new squadron per district.

If any district officer would like assistance in making a presentation about squadron formation at an American Legion Post meeting, please contact Detachment Headquarters. Charter packets are also available through Detachment Headquarters.

National Headquarters has provided the following guidelines regarding the issuance of SAL Squadron Charters:

<https://www.legion.org/sites/legion.org/files/legion/documents/Natl%20HQ%20Guidelines%20for%20Issuance%20of%20Sqdn%20Charter.pdf>.

The SAL Charter Application Form is available at <https://www.legion.org/sites/legion.org/files/legion/documents/SAL%20Squadron%20Charter%20App%20-%20fillable.pdf>.

Transmitting Membership Cards to Detachment Headquarters

DO NOT HOLD MEMBERSHIP CARDS!

Once you have members pay their dues, whether it is one member or ten or one hundred, mail the left two parts (**do not separate them**) of their card(s) along with the \$10.00 per capita to:

*Membership Division, The American Legion – Department of Ohio
60 Big Run Rd., Delaware, OH 43015-9127*

Make checks payable to “The American Legion – Department of Ohio” and indicate “SAL Member Dues” on the Memo line.

Squadrons are strongly encouraged to use Certified or Express Mail when sending membership cards to Department Headquarters. This provides a tracking reference that can be used when trying to locate a missing delivery.

myLegion.org Membership Administration Portal

The American Legion National Headquarters has designed a FREE and secure Internet site to assist Squadron Commanders and Adjutants in their day-to-day membership processing duties. This site serves as a direct portal from the local squadron to National Headquarters' membership system.

Features include:

- View and edit squadron membership records directly
- Generate squadron and membership reports
- **Transmit Detachment and National per capita membership dues electronically via bank transfer to National for renewals, new members, and member transfers**
 - o Reduces posting time to less than one week (after the first batch transmittal is complete, which can take two weeks for banking information to be verified)
 - o Eliminates paper card handling (other than the member's part)
 - o Improves reliability of membership processing for everyone (no "lost in the mail" issues)

We strongly encourage ALL Squadron Commanders and Adjutants to register for and use a myLegion.org account for their membership administration activities! Make sure to use the email address stored in your membership record when registering.

It is important that your Post Adjutant include these two key Squadron officers on the Notification of Post/Squadron Commanders and Adjutants form when he/she files it with Department Headquarters each year, and that the email addresses reported for them match the squadron officers' membership records.

The current Notification of Post/Squadron Commanders and Adjutants form is available at

<https://www.legion.org/sites/legion.org/files/legion/documents/Notification%20of%20Post-Squadron%20Commanders%20%26%20Adjutants%20-%20fillable.pdf>.

District Lap Target Penalties

Squadron Officers Not Certified – Any squadron that has not submitted its Officers Certification Form to Detachment Headquarters by the October target date will cause their respective district to forfeit one percentage (1%) point in the detachment membership standings.

This penalty will be applied for each squadron in the district that has failed to be certified.

Membership “Goose Eggs” – Any squadron that has zero (0) paid members posted on the remaining membership target date reports (December through May) will again cause their respective district to forfeit one percentage (1%) point in the detachment membership standings.

This penalty will be applied for each squadron in the district that has a “goose egg.”

The target date cash awards are intended to create competition in membership among the districts of the detachment. In turn, the penalties have been added to ensure that district officers are responsible for the success of their district and its accomplishments in membership.

***Let's all do our part in keeping the Detachment of Ohio
one of the largest in membership!***
