

ONLINE MEMBERSHIP PROCESSING

INTRODUCTION

The “Process Membership” feature in mySAL allows Sons of The American Legion Squadron Officers to renew, add new members and transfer-in existing members from other Squadrons. **(NOTE: Squadrons can only transfer-in members that dues are being paid for.)** This feature utilizes electronic payment methods via mySAL and eliminates the need for Squadron Officers to send the National / Detachment Portion of the (3-part) membership cards and paper-checks to the Detachment Headquarters office.

Electronic check (Echeck) is the only payment method available when using this feature. The account must be a valid business checking or savings account held with a US Bank. Credit card payments are only accepted for foreign Squadrons outside of the US that do not have a checking / savings account with a US Bank.

Each dues payment charged for a member is the sum of the National Per Capita plus Detachment Per Capita in effect at the time of the transaction. National Headquarters will handle payment of the Detachment Per Capita back to the Detachment Headquarters office.

A hold will be placed on future transmittals until the 1st batch is processed. Once processed, you will be able to submit multiple transmittal batches.

ELECTRONIC CHECK (Echeck) PROCESSING GUIDELINES

The processing time for Echecks is 7-9 business days. During the 7-9 business day period, a “Pending” charge will be placed on the funds in the checking / savings account designated by the Sons of The American Legion Squadron. In addition, the batch status in mySAL will also show a “Pending” status for the 7-9 business day period. After a successful transfer of funds to the bank at National Headquarters, the transmittal status of the batch will change to “Closed,” and the member information will be applied to the National Database.

Credit card transactions should clear within 24-hours (foreign Detachments only).

Declined Echecks

If a Squadron submits payment for a batch of transactions and the Echeck is declined, the transmittal status of the batch in mySAL will be set to “Declined.” Common reasons for declined Echecks are:

- 1.) Insufficient funds
- 2.) Bank Account has been closed
- 3.) Invalid Bank Information

In the event a membership batch is declined, the Squadron Officer will be notified via email, and the batch will NOT be applied to the National database. Declined batches can be re-submitted within 14 days. **If not re-submitted within the 14-day period, the batch will be deleted.**

The Squadron will be charged all penalty fees levied by the ACH (Automated Clearing House) processor for declined Echecks.

After submitting the batch for processing, the “Process Membership” form will show the batch in a pending status. Once the transaction has completed processing in the ACH network, the Transmittal Status will change to “Closed.” Allow up to 7-9 business days for the transaction to clear through the ACH network.

Transmittal batches must be submitted within 14 days of opening or they will be deleted.

The American Legion National Headquarters reserves the right to suspend the “Process Membership” feature for a Squadron at any time due to a high volume of declined transactions, or malicious use of the mySAL site.
