

SONS OF THE AMERICAN LEGION REPORT

December 4, 2021

The Detachment Executive Committee met on November 13, 2021, at American Legion Post 479 in Swanton, Ohio. Advisors from the First, Fourth and Fifth Districts were in attendance. Since only sixteen of the thirty-five voting members were present, a quorum was not present, and no business could be conducted. A roundtable discussion was held.

Since the SAL will soon be able to pay their dues online, it is extremely important that each squadron fill out and return their Squadron Data Report in a timely matter. Failure to do so could result in the wrong amount being paid.

The next Detachment Executive Committee meeting will be held on Friday, January 21, 2022, at the Crowne Plaza Hotel in Columbus.
